

University of Tartu and ISP

Andres Salu

CIO

Department of Information Technology Services

University of Tartu

- 11 faculties
- 3 research institutes
- 4 colleges
- Library
- more than 70 departments, institutes, clinics

- the total number of students is over 18,000
- teaching staff is over 1,300.

Colleges

- Narva College
- Pärnu College
- Türi College
- The Institute of Law (Tallinn)

- Estonian Marine Institute (Tallinn)

Goals

- Sturdy
- Reseach
- IT is the support function

Expectations for ISP

- Quick Internet
- Quick connection between Tartu and colleges (100Mbps)
- Video lectures!
- For research we need test-side network (IPv6)
- International communication (GEANT, RIPE) – one institution in Estonia.

New challenge - GRID

- This need very quik network
- One independent institution between reseach institutions
